UNBELIEVABLE!® PRO SPOTTING KIT

Reorder # UPSK-2

Since spots and stains can be difficult to remove, specially designed formulas were developed at Core to attack each class of stain with the least amount of effort. Most spots and stains can be classified into three groups: 1. Liquid & Protein 2. Oil & Grease. 3. Inks, Dyes & Adhesives.

IMPORTANT NOTE: Always vacuum and scrape as much of the spot material as possible before using spotter.

*Stains may not be completely removed if indelible.

Kit includes: 16 oz. Unbelievable!® Original Stain Remover, 16 oz. Unbelievable!® Citrus Gel™, 16 oz. Unbelievable!® Goo D-Solv-r™, 4-in-1 Spotting Tool and Pro Spotting Chart.
